The course will be basically the same as last year's boys' race but with a small extension on the far end so that we can adjust the start and finish a bit. Middle school race will be about 2 miles (2 loops).

Changes to the meet this year:

We will start at **3:15**

Girls will be running 5k (I missed that change below, despite adjusting all the times, and fixed it now!)

Middle School boys and girls will **race together** with **separate awards**.

-Head Coach Rachel Karel rachel.karel@anoka.k12.mn.us

T-shirts will be available from Shirts on Site! On-site printing of each t-shirt with tons of colors and tie dye! These were hugely popular last year-please inform your athletes!
